**DECLARATION OF STEPHANIE AMIN-GIWNER IN
SUPPORT OF CLASS PLAINTIFFS' MOTION TO COMPLETE
THE DISTRIBUTION OF THE DOW SETTLEMENT FUND**

I, Stephanie Amin-Giwner, hereby declare as follows:

1. I am a Manager of Client Services for Epiq Class Action and Claims Solutions, Inc. (“Epiq”) and formerly an Assistant Director of Operations at Garden City Group, LLC (“GCG”)¹. Pursuant to this Court’s April 27, 2016 Order Authorizing Dissemination of Notice to the Class of the Dow Settlement Agreement and Establishing Procedures and a Hearing on Final Settlement Approval, the Proposed Plan of Allocation and Class Counsel’s Fee Petition Dkt. 3243 (the “Order Authorizing Dissemination”), GCG was appointed as the Settlement Administrator in connection with the proposed settlement between Defendant The Dow Chemical Company (“Dow”) and Class Plaintiffs (the “Dow Settlement”). I submit this declaration in support of Class Plaintiffs’ Motion to Complete the Distribution of the Dow Settlement Fund.

2. Pursuant to this Court’s December 19, 2017 Order Approving Distribution from the Dow Settlement Fund (the “Initial Distribution Order”) (Dkt. 3297), the Court authorized an initial distribution of 85% of the Dow Settlement Fund to Approved Claimants. Accordingly,

¹ GCG was acquired by Epiq on June 15, 2018 and is now continuing operations as part of Epiq.

beginning on March 22, 2018, GCG issued payments totaling \$473,448,856.60 for 832 claims (the “Initial Distribution”).

3. Following the Initial Distribution, GCG monitored the status of all checks issued. To ensure that the maximum number of checks were cashed, GCG and Class Counsel followed-up with Approved Claimants whose checks were initially uncashed, either because they were returned to GCG as undeliverable or because the Approved Claimant simply had not cashed the check. GCG and Class Counsel urged Approved Claimants to cash their checks and offered Approved Claimants the opportunity to have their checks reissued if they lost or damaged their check or otherwise required a new check. GCG reissued a check upon written instructions from an Approved Claimant, and requested that the Approved Claimant return the first check where appropriate.

4. As of October 18, 2018, payments totaling \$473,438,695.38, or approximately 99.9% of the amount distributed in the Initial Disbursement, have been cashed by or successfully wired to Approved Claimants. Accordingly, \$10,161.22 remains in the Distribution Account due to uncashed and undeliverable checks. A listing of the claims and uncashed check amounts is attached hereto as Exhibit A. In addition, one check has not been issued because of a dispute between the claimant the two third party fliers, asserting competing interests in the claim. All uncashed and undeliverable checks are stale, as of the date of this Declaration. GCG recommends in consultation with Class Counsel that all such checks be voided and the funds represented by such voided checks be added to the Dow Settlement Fund and redistributed to Approved Claimants on a *pro rata* basis.

5. The Initial Distribution Order also provided that approximately 15% of the Dow Settlement Fund be retained in the Dow Settlement Fund Escrow Account to pay for preparation

of tax returns, pay any taxes due, and address any unforeseen claims issues that might arise. In consultation with Class Counsel, GCG is now prepared to distribute the remaining approximately 15% of the Dow Settlement Fund (the “Supplemental Distribution”). Attached hereto as Exhibit B is the Estimated Schedule for Supplemental Distribution (the “Schedule”) that sets forth the amounts to be paid to Approved Claimants as their final distribution from the Dow Settlement Fund, *i.e.*, the 15% holdback approved by the Court in December 2017.² The amounts set forth in the Schedule are based on the Approved Claimants’ Recognized Loss Amounts and utilizes the same calculation applied in the Initial Distribution, and approved by this Court. Since the date of the Distribution Order, the Dow Escrow Account has earned additional interest, and the calculation of the remaining amounts to be paid to Approved Claimants has increased. Accordingly the distributable amount available for the Supplemental Distribution is \$85,137,596.49.

Late Claims

6. Following the Initial Distribution, GCG received requests from two entities to submit late claims. After a detailed review of these claims, Class Counsel and GCG determined that one of these entities was the appropriate claimant for three unfiled claims and the other entity had purchased qualifying products during the relevant period. In consultation with Class Counsel, GCG recommends that these claims be approved and be paid their full recovery from the remaining 15% of the Dow Settlement Fund. These claims and their recommended payment amounts are included in the Schedule.

² To ensure the confidentiality of such information, claimants’ names are redacted in the Estimated Schedule for Supplemental Distribution.

The Resolution of Disputed Claims

7. **Claim Number 1009826 (Reference No. 396):** at the time of the Distribution Hearing, one claim remained in dispute (Claim # 1009826/Reference # 396). This claim was initially recommended for approval by GCG for the amount reflected in defendants' data, but the corrected amounts submitted above the amount of the defendants' data were rejected. Subsequent to the Distribution Hearing, Class Counsel and GCG had further communications with the claimant's representative and determined that further investigation was warranted with respect to this claim. The claimant received its Initial Distribution Payment based on the amount approved in the Initial Distribution Order.

8. GCG and Class counsel have completed their investigation into this claim and recommend that the claim be approved at a total Recognized Loss Amount of \$254,988.21, an amount greater than that reflected in defendants' data but less than the amount claimed by the class member. In accordance with this resolution, the payment amount on the Schedule for this claim includes the 15% supplemental distribution amount as well as the additional amounts due based on the increased Recognized Loss Amount.

SUPPLEMENTAL DISTRIBUTION OF THE DOW SETTLEMENT FUND

9. Should the Court approve GCG's recommendations and determinations, GCG recommends the following Distribution Plan. As set forth in Exhibit B, GCG has calculated the *pro rata* payment amounts of the remaining amount from the Dow Settlement Fund for each of the Approved Claimants.

10. GCG will conduct the Supplemental Distribution in the amounts listed, as described below.

11. GCG will prepare checks and check registers. Check files will be reviewed and compared to the entitlement report prior to printing checks. All check files will have records that indicate the total number of checks and the total dollar amount of the checks. The records will be checked against the entitlement report totals and also against the sum of the detail record check amounts in the actual file. GCG will compare the list of Approved Claimants to GCG's internal list of Claimants who have been identified as potentially fraudulent filers.

12. Once all of these quality assurance tests are performed and confirmed, checks will be printed and mailed by first class mail, postage prepaid.

13. GCG will issue replacement payments for distributions upon request by payee, and will respond to inquiries about distribution amounts and Payment Amount calculations. In order to encourage Approved Claimants to promptly cash their distributions and to avoid or reduce future expenses relating to unpaid distributions, all of the distribution checks will bear a notation: "CASH PROMPTLY. VOID AND SUBJECT TO RE-DISTRIBUTION IF NOT CASHED WITHIN 90 DAYS AFTER ISSUE DATE."

14. To the extent that any checks are not negotiated, GCG and Class Counsel will make further efforts to accomplish negotiation of the uncashed and undeliverable checks, including personal outreach by phone and email. GCG, in consultation with Class Counsel, recommends all checks that are not negotiated within 180 days of issuance, or, in the case of reissued checks, within 45 days of reissuance will be void and GCG will be authorized to stop payment on those checks.

15. Based on the results from the Initial Distribution, it is unlikely that the amount remaining in the Dow Distribution Account after the Supplemental Distribution checks are negotiated or voided would be sufficient to warrant conducting another distribution.

Accordingly, GCG, in consultation with Class Counsel, recommends that any remaining funds be paid to a *cy pres* selected by Class counsel and approved by the Court.

FEES AND DISBURSEMENTS

16. Class Counsel have been billed and received reports of all of the work GCG performed with respect to the administration of the Dow Settlement, and authorized all of the claims administration work performed herein. Since settlement approval, GCG has been paid a total \$259,757.88 from the Dow Settlement Fund for the work it has performed from August 1, 2017 through August 31, 2018. GCG estimates that approximately \$40,000 will be expended to conduct the Supplemental Distribution.

CONCLUSION

17. GCG respectfully requests that the Court enter an order approving the Supplemental Distribution. GCG also requests that the Court approve GCG's fees and expenses as reasonable.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed in Lake Success, New York on October 19, 2018.
